**SI-B-4303**

**FUNCTIONAL EXERCISE** – Versatile for cross-training workouts, power and agility training, core exercises, functional fitness and strength.  
**SOFT SHELL** – PU leather exterior is soft to the touch, with a padded interior with slight give to catch and grip comfortably.  
**IMPACT ABSORBING** – Cushioned design absorbs impact during strength and power exercises, and is held together with heavy duty double stitched seams.  
**LONG-LASTING** – Durable PU leather material is water resistant and scuff resistant for a long-lasting ball that is perfect for home or gym.

**SI-B-4301**

The Medicinal Ball is an important tool for power training in the sport. This rubber medicine ball helps improve your cardio, muscle tone, and strength. It can be used for strength training as the plyometric training (Plyometrics is mainly based on stretching and muscle shortening, is a method of training designed to develop and improve the capacity to exercise power in a burst of action) for strength training, endurance, cardiovascular work and injury recovery, regular use in the home environment. It comes in a non-slip surface finish, made of natural rubber.

**SI-B-4302**

The basic foundation of double grip medicine balls are suitable for core strength and rehabilitation training. It is a wise investment for any gym. The double grip design provides better grip and can withstand heavier weights. These balls can be flexibly used in training exercises such as abdominal curls, leg raises, and Russian twists. High Quality Rubber As compared to other brands of medicine balls, Beast Gears uses natural rubber and styrene butadiene rubber that has longer natural vulcanization time, low order, good elasticity, abrasion resistance, and wear resistance. They have been tested by high-level sports teams in the most cruel use environment. Balanced center of gravity The ball's configuration has a balanced center of gravity and makes training more precise.

this athletic shirt is manufactured with 100% Polyester material. The material absorbs less than one percent of moisture by weight, offers decent dimensional stability. Polyester is easy to machine wash and dry clean. It has excellent memory characteristics to retain its shape. And unlike natural fibers, it is non-allergenic and doesn't promote the growth of bacteria. The tightly locked needle work ensures career lasting durability. Aerated back holes lets the heat escape quickly while keeping the shirt dry and your body fresh. Ideal for Gym training, Boxing Sparring sessions, MMA, Cycling, Running Hiking and more. Classic crew neck Long sleeve Regular fit

Summers are unforgiving in our neck of the woods. We endure bouts of heatwaves upon heatwaves for the most part of the year and clothing offers little respite. That's where the classic t-shirt has stood the test of time. But we take it up a notch. We design t-shirts from 'cloudlike' cotton to give you that incredible cuddly soft feel to make the classic t-shirt your always-on everywhere essential so that you look cool and stay cool when the sun is having a mood swing.

100% Cotton Men's short sleeve t-shirt.  
Fabric: Premium fine ring-spun fabric.  
Weight: Light weight feel.  
Additional Features: Soft Hand screen print.  
Heat seal neck label.
